

INTERNET

Connection to the internet is provided by Ezi-Hose for work related tasks and also for checking your company email address. This is done through Microsoft Outlook not other websites. E.g. www.hotmail.com

Internet Explorer should be used for Quadrem, Parker Online etc. Those that are work related.

Downloading programs, music, pictures etc is not allowed.

Forwarding inappropriate emails is also unacceptable. Please do not forward jokes through your email. Some individuals can take offence.

Please keep the use of the internet to a minimum. Only browse the net during your tea/lunch break and only if it is appropriate.

Your email address includes @ezihose.com and the company does not approve of the name being used for personal emails.
