

UNIFORMS

Uniforms are to be worn at all times. Ezi-Hose has provided uniforms to employees and it would be appreciated if all employees could wear the correct uniform. The quantity of uniforms provided to each employee will depend on their job role.

Correct uniform is also to be worn when visiting other companies and/or minesites. E.g. Reflective Clothing. This does help us with advertising also.

WORKSHOP

Correct footwear is also to be worn in the workshop. Thongs are not appropriate.

Long hair must be tied back when using machinery as this can be dangerous.

PERSONAL APPEARANCE

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the business image Ezi-Hose presents to customers and visitors.

During business hours, employees are expected to present a clean and neat appearance and to dress according to the requirements of their positions. Employees who appear for work inappropriately dressed will be directed to leave and return to work in proper attire. Under such circumstances, employees will not be compensated for the time away from work.
